

CRISTINA FERRARE HOME COLLECTIONS

Bel Canto: As elegant yet comfortably inviting as Cristina herself, the rich cherry Bel Canto combines classic Old World design with fresh, engaging details and custom-designed aged pewter hardware for this collection of bedroom, dining room, occasional and home accent furniture.

MAGNUSSEN HOME® COLLECTIONS

Bedroom: Four new bedroom groups in cherry, mahogany, pine and bird's eye maple span the style spectrum, from elegant traditional to winsome transitional to sleek, geometric contemporary.

Dining: Some of the five new dining room groups echo the bedroom introductions, offering sophistication and style for a variety of settings.

Occasional: The 22 new occasional table groups offer something for everyone, in traditional, contemporary, transitional, casual, rustic and country styling. Expertly crafted in a variety of finishes, materials and textures, the new occasional tables are designed with function and fashion in mind.

Home Accents: An abundance of alluring details distinguish 20 new accent pieces including new bombé chests, mirrors, consoles, demilunes, sinks, bars, desks and more.
